CRIMINAL COURT.

Squire Goldsmith Sentenced to Two Years in the Penitentiary.

In this court this morning Joseph Williams, charged with perjury, appeared before the court but as no information was filed she was discharged. John Down, breaking and entering, was acquitted by the jury, as was McHenry Clark, charged with petit larceny. Richard Carter convicted of non-support, had his sentence suspended on condition that he live with and support his wife and children. Squire Goldsmith was sentenced to two years in the penitentiary. S. T. Milstead was sentenced to ten years in the penitentiary. Information against T. H. Tillman for obtaining property under false pretenses was quashed. Henry Williams, robbery, was acquitted. Louis Knight, Henry Williams, Henry Lane and Manuel Robinson, all colored, pleaded guilty of grand larceny, and sentence in the case of the last three named was suspended, conditional upon their future good behavior, while Louis Knight, shown to be a professional gambler, who visits the mills, etc., on pay day and induces the workmen to gamble with him generally losing all their money to him on loaded dice, was given the full penalty of the law—three months in jail at hard labor, and a fine of one hundred dollars, in default of the payment of which, 90 days further imprisonment.

Remarkable Rescue.

Mrs. Michael Curtin, Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking six bottles, found herself sound and well, now does her own housework and is as well as she ever was. Free trial bottles of this Great Discovery at W. A. D'Alemberte's Drug Store, large bottles 50 cents and \$1.00.

Senator Bacon is injured.

WASHINGTON, Feb. 5.—United States Senator A. O. Bacon of Georgia is confined to his apartments on Oregon avenue suffering from injuries which will probably keep him an invalid for several weeks. A fall, which seemed at first trivial, has placed him under the care of surgeons, and while he has not yet undergone much physical suffering, the injuries he sustained are sure to keep him confined for several days. In starting from his house, the senator slipped on an icy step and fell in such a way as to fracture two ribs.
